

WEEKLY BULLETIN

05 June 2017

This Week's Highlights

- As of 5 June 2017, 28230 houses have been approved to receive the 2nd tranche and 906 houses have been approved to receive the 3rd tranche. These [updates have now been mapped by MoFALD CL-PIU](#).
- [Govt unveils NPRs 1,279b budget for 2017-18](#) where NPRs 146.2 billion has been allocated for post-earthquake reconstruction works
- [ToR for Locally Elected Bodies](#), based on new federal system, passed by the cabinet
- [NRA has launched a Toll-free number \(Nepali\): 16600172000 \(१६६०-०१-७२०००\)](#) for NTC and 9801572111 (९८०१५-७२१११) for Ncell.
- [13 Engineers deployed in the districts for re-survey \(Nepali\)](#)
- MoUD CL-PIU published type designs for [single storey RCC](#), [random rubble masonry](#), and [dressed stone masonry](#)
- Directives for 7-day Lead Mason's Training on Earthquake Resistant Residential Building Construction 2017, MoUD CL-PIU ([Nepali](#)) ([Unofficial English Translation](#))
- [Milijuli Nepali, Episode 648](#)
- [Reconstruction FAQs \(Nepali\)](#) published in Annapurna Post
- Reminder, Technical Session on Corrections and Exceptions Manual & DUDBC Design Catalogue Volume 2 taking place on Tuesday 6 June from 12-13:30 in the DUDBC Meeting Hall
- To date only 79% of POs have reported to the NRA 5W system. Partners that have not yet reported are requested to do so as soon as possible. Congratulations to the 7 new Partner Organisations (POs) whose reconstruction programmes have been approved in recent weeks!
- 37 people, representing Lumanti, SRIU, Nepal Engineers' Association, HRRP, CLPIU, NRA, Build Change, Innovative Engineering Consultancy, and CRS completed the second Master Training of Trainers on the Corrections and Exceptions Manual, led by MoUD CL-PIU.

Orientation and discussion between the newly elected local representatives and National Reconstruction Authority, Gorkha, 2 June 2017. Photo credit: HRRP Gorkha.

13 engineers deployed in the districts for re-survey (Nepali): the NRA has decided to deploy 13 engineers to the earthquake affected districts to support with re-survey as part of the grievance process. The NRA CEO, Dr. Govind Raj Pokharel, has instructed the engineers to find out what is delaying the processing of grievances in some areas. The engineers were provided with orientation on Tuesday 30th May, prior to being deployed. The HRRP technical coordination team facilitated the orientation.

MoUD CL-PIU Monitoring & Evaluation Specialists: the specialists have been hired as part of the Earthquake Housing Reconstruction Project (EHRP) and their main role is to monitor and evaluate training activities conducted by MoUD CL-PIU, MoUD DL-PIUs, and Partner Organisations (POs). They will also support with monitoring and evaluation of the housing construction. MoUD CL-PIU request all POs to let inform the M&E specialists prior to training activities and other activities related to housing reconstruction. The M&E specialists have been deployed as follows:

1. Dr. Diwat Kumar Shrestha – team leader based at MoUD CL-PIU
2. Mr. Narakanta Sapkota – Kathmandu and Bhaktapur
3. Mr. Khagendra Raj Adhikari – Gorkha and Dhading

4. Mr. Prabhu Ram Pokharel – Nuwakot and Rasuwa
5. Mr. Roshan Raj Giri – Lalitpur and Makwanpur
6. Mr. Roshan Kumar Kesari – Kavre and Sindhupalchowk

MoUD CL-PIU are still in the process of hiring two M&E specialists to cover Ramechhap, Sindhuli, Okhaldhunga, and Dolakha.

ToR for Locally Elected Bodies: based on the new federal system, and passed by cabinet this week, the ToR includes the following provisions regarding disaster management, including that the local elected bodies will be responsible for:

- Execution and regulation of local policy, law, standards/compliance and planning related with disaster management
- Local level disaster preparedness and response plan preparation annually
- Local level disaster preparedness, search and rescue, storage of relief items in advance, distribution and coordination
- Mapping, identification, and relocation of settlements in disaster-prone areas
- Support, coordination, and cooperation with associations, province and local community, I/NGOs and the private sector for disaster management
- Establishment and implementation of disaster fund and utilisation of resources
- Local level project planning, execution, and regulation for disaster risk reduction
- Local level recovery and reconstruction post disaster
- Local level data management and research studies on disaster
- Local emergency operation system
- Establishment, execution and management of fire brigade services against hazardous fires

NRA has launched a Toll-free number (Nepali): the number has been launched with support from UNDP and is 16600172000 (१६६०-०१-७२०००) for NTC and 9801572111 (९८०१५-७२१११) for Ncell. There are 2 people answering the phelines and calls will be answered between 9 a.m. to 6 p.m. Sunday to Friday. During off hours, the queries will be recorded. The staff answering the phelines are based in the NRA and source information from NRA Communication team.

NRA Technical Meeting, Sunday, 28 May: the meeting was led by Dr. Hari Ram Parajuli and was attended by the newly appointed District Support Engineers (contact details provided in 'Useful Documents' section below). The DSEs provided updates on the technical issues they have observed since being deployed and raised issues regarding structural design and building code provisions. Dr. Parajuli informed the DSEs that he will be making visits to the districts and can address specific technical issues during these visits. A log book will also be maintained in the NRA operations room where problems raised by the DSEs can be logged along with the solution suggested. Experts from the Tribhuvan University Institute of Engineering, will be supporting the DSEs by providing technical solutions.

REMINDER, Request for Support: MoUD CL-PIU is requesting support from partners to assist with logistics/transport for the ongoing monitoring and inspection activities being carried out by MoUD DL-PIU engineers at field level. If your agency can provide some assistance, please write to moudclpiu@gmail.com.

NRA Appeal for Expanded Support for Vulnerable Top Ups and Technical Assistance (English, Nepali): The NRA has issued an appeal urging I/NGOs, private sector, and philanthropic organisations to expand support for the vulnerable top up grant of 50,000 NPRs and / or technical assistance. NRA is also asking partners to encourage and support households that have already received the first tranche to finish construction to plinth level and request the second tranche by the middle of June.

Learning and Sharing Interaction on Inclusive and Resilience Reconstruction: On 31st May 2017, DPNet-Nepal organised a discussion program for its members and partners on inclusive and resilient reconstruction with support from Save the Children through their “promoting inclusive community based disaster preparedness consortium project” funded by ECHO. Two presentations were presented by experts on the theme of how Nepal’s ongoing recovery and reconstruction program is helping in building community resilience. One presentation was from NRA on resilient reconstruction and one was from HRRP on field level coordination. After the presentations, there was discussion amongst the participants on ongoing efforts and the way forward to address the problems on policy, gaps, challenges.

Milijuli Nepali, Episode 648: in this episode the presenters bring you stories from Nuwakot, Rasuwa and Okhaldhunga. How is livelihood connected to reconstruction? What have people been doing, and what can they do to make a living while generating an income so they can continue rebuilding their homes?

REMINDER, NRA 5W Reporting: to date 115 out of 145 partners (79%) have reported to the NRA 5W system. Partners are requested to share their data for inclusion in the 5W as soon as possible. Congratulations to the 7 new Partner Organisations (POs) whose reconstruction programmes have been approved in recent weeks. Please contact Gaurab Pradhan, gaurab@hrrpnepal.org, for more information. Once the NRA 5W is fully up and running the HRRP 4W will be phased out.

Reconstruction FAQs published in Annapurna Post on 2nd June 2017: sourced from the [HRRP FAQs](#), the questions included are: Will the government provide house reconstruction loans at a minimal interest rate?, I heard rumour that we cannot build houses of more than one storey. Is that true?, and we heard a rumour that people who build timber houses will not receive the second instalment, is this true?

Vacancies at DFID Nepal: Disaster Resilience Policy Officer & Renewable Energy Officer. Closing date for applications is Friday 23rd June.

Sphere Standards Revision: a [recording of a webinar](#) where the lead authors discussed the revision process and answered questions is now available. Feedback on the first draft of the revised standards is now being sought from all practitioners, and can be provided through an online form available [here](#).

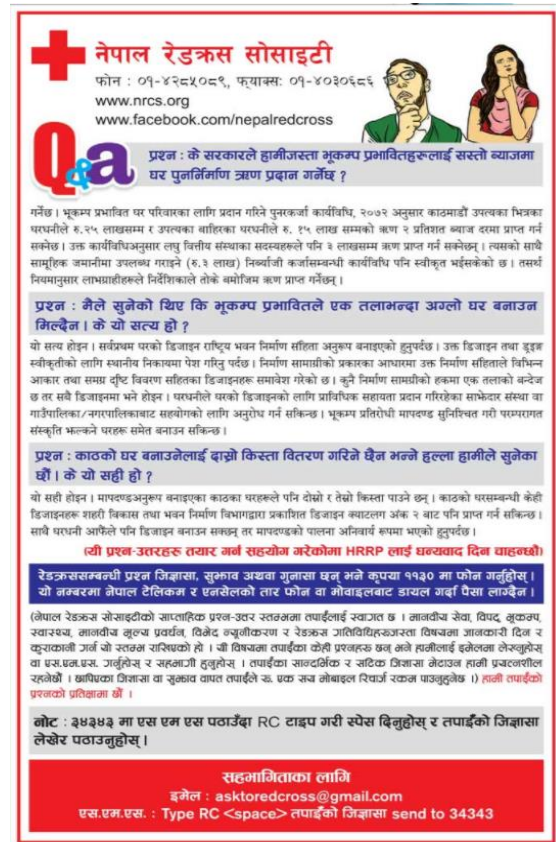

International Water Centre Masters Scholarships, Call for Applications:

The IWC Masters Scholarships are a prestigious award granted annually to high calibre candidates who clearly demonstrate potential as future water leaders. Scholarships are available to study the IWC Master of Integrated Water Management (MIWM) in Brisbane, Australia. Closing date for applications is 1 August 2017.

HRRP Media Digest, some interesting articles include:

Free housing design approval for quake victims: Changunarayan Municipality of Bhaktapur has decided to approve housing designs for free for people affected by the earthquake. This decision was enforced from 1st June 2017 after the locally elected representatives took part in the swearing-in ceremony.

Burning in the aftermath: Since the earthquake, there has been a surge in burn cases from earthquake affected districts around Kathmandu. As earthquake reconstruction moves at a slow pace, more than 1 million people are

Qa प्रश्न : के सरकारले हाजीजस्ता भूकम्प प्रभावितहरूलाई सस्तो ब्याजमा घर पुनर्निर्माण त्रुण प्रदान गर्नेछ ?

मनेछ । भूकम्प प्रभावित घर परिवारका लागि प्रदान गरिने पुनर्कर्जा कार्यक्रम, २०७२ अनुसार काठमाडौं उपत्यका भित्रका घरधनीले रु.२५ लाखसम्म र उपत्यका बाहिरका घरधनीले रु. १५ लाख सम्मको ऋण र प्रतिवित्त ब्याज हावा प्राप्त गर्न सक्नेछ । उक्त कार्यक्रमअनुसार लघु वित्तीय संस्थाका सदस्यहरूले पनि ३ लाखसम्म ऋण प्राप्त गर्न सक्नेछ । त्यसको साथै सामूहिक बचतमा उपलब्ध गराइने (रु.३ लाख) निवर्तनी कर्जासम्मन्धी कार्याविधि पनि स्वीकृत भईसकेको छ । तसर्थ नियमानुसार लाभग्राहीहरूले निर्देशिकाको तोकै बर्माोजम ऋण प्राप्त गर्नेछन् ।

प्रश्न : मैले सुनेको थिए कि भूकम्प प्रभावितले एक तलामन्दा अग्लो घर बनाउन मिल्दैन । के यो सत्य हो ?

यो सत्य होइन । सर्वप्रथम घरको डिजाइन र विद्युत भवन निर्माण सिला अतुष्य बनाइएको हुनुपर्दछ । उक्त डिजाइन तथा ढुङ्गा स्वीकृतीको लागि स्थानीय निकायमा पेसा गर्नु पर्दछ । निर्माण सामग्रीको प्रकरका आधारमा उक्त निर्माण सिलातले विभिन्न आकार तथा सम्रा दृष्टि विवरण सलिका डिजाइनहरू समावेश गरेको छ । कुनै निर्माण सामग्रीको हकमा एक तलाको बन्देज छ तर सबै डिजाइनमा भने होइन । घरधनीले घरको डिजाइनको लागि प्राविधिक सहायता प्रदान गरिरहेका सम्भेदार संस्था वा गाउँपालिका/नगरपालिकाबाट सहायोगको लागि अनुरोध गर्न सकिन्छ । भूकम्प प्रतिरोधी मापदण्ड सुनिश्चित गरी घरपरामर्श संस्कृति भन्कने परहरू समेत बनाउन सकिन्छ ।

प्रश्न : काठको घर बनाउनेलाई दाजो किस्ता वितरण गरिने छैन भन्ने हल्ला हाजीले सुनेका छौं । के यो सही हो ?

यो सही होइन । मापदण्डअनुसार बनाइएका काठका घरहरूले पनि दोस्रो र तेस्रो किस्ता पाउने छन् । काठको घरसम्मन्धी केही डिजाइनहरू साही निकास तथा भवन निर्माण विभागद्वारा प्रकाशित डिजाइन कडाटलण अंक २ बाट पनि प्राप्त गर्न सकिन्छ । साथै घरधनी आफैले पनि डिजाइन बनाउन सक्नु तर मापदण्डको पालना अनिवार्य रूपमा भएको हुनुपर्दछ ।

still living in crowded and cluttered shelters without electricity and where the kitchen is in the living room. This puts the family, especially the children, at greater risk.

[Govt unveils Rs 1,279 billion budget for 2017-18](#): the budget is expected to achieve economic growth of 7.2% and represents a 22% increase from the budget for the current fiscal year.

[Banks do not require prior approval to open branches in Rural Municipalities \(Nepali\)](#): Banks and Financial Institutions do not need to seek approval from the Central Bank of Nepal before opening branches in Rural Municipalities as per the new fiscal policy. However, in case of Metropolitan Cities, Sub-Metropolitan Cities and Municipalities, the BFIs still need to get prior approval from the apex body.

[What Happens to a Country When So Many of Its Workers Migrate?](#): two years after Nepal's devastating quake, which killed almost 9,000 people and left tens of thousands injured, deep social and political rifts continue to rock the impacted communities. The ruins of the quake exposed the structural poverty driving an exodus of workers to seek economic opportunity abroad. Nepal's global migration chain, according to new research, has enchained their home country to a system of perpetual poverty and unstable development.

[Who is going to farm?](#): the Ministry of Agricultural Development (MoAD) has estimated that 27% of cultivated land in Nepal is now fallow. This trend is particularly evident in hill and mountain areas. For example, a study conducted in Lamjung revealed that as much as 50% of cultivated land in the district now lies fallow.

[Scientists identify earthquake-vulnerable areas in Nepal](#): a study by Indian researchers has identified areas of Nepal that are likely to face tremors in the future. The Gorkha Earthquake classified as "violent" on the Mercalli Intensity Scale had given rise to 256 strong and mild aftershocks.

[1st Int'l bloggers meet begins in Kathmandu](#): The Himalayan Travel Mart (HTM) 2017 kicked off in the Capital on Thursday, starting with the first of its kind International Bloggers and Media Conference. The four-day event started with the aim of redefining adventure tourism and establishing Nepal as gateway to the Himalayas. More than 250 travel bloggers, journalists and international buyers assembled in Kathmandu to take part in the event.

Meetings and Events

[Reminder, Technical Session on Corrections and Exceptions Manual & DUDBC Design Catalogue Volume 2](#): taking place on Tuesday 6th June from 12-13:30, in the DUDBC Meeting Hall. The session will include presentations on, the compiled report on HRRP district technical workshops, the Correction and Exceptions Manual for Masonry Buildings, DUDBC Design Catalogue Volume 2 and Low Cost Housing Designs. There will also be time for questions and discussions.

[NRA Partners Coordination Meeting, Gorkha, 2nd June](#): NRA CEO Dr. Govind Raj Pokharel, along with NRA executive member Dr. Hari Ram Parajuli and NRA central team, visited Palungtar Municipality of Gorkha district on Friday, 2nd June, 2017 and attended a one-day orientation and interaction program between NRA and new locally elected administrative officials in the presence of representatives from various I/NGOs, government line agencies, media and political parties. Another meeting was held the same evening where NRA executive member Dr. Hari Ram Parajuli met with partners working in Gorkha district and discussed about the need to complete training and demo construction as soon as possible since people have already started to reconstruct their homes.

[NRA Communications Working Group, Friday 26 May](#): NRA have shared the presentation from the meeting as well as the current version of the NRA communications strategy and action plan. Partners may send any feedback or questions on these documents to Mr. Bhisma Bhusal, NRA Deputy Spokesperson, bkb2032@gmail.com.

[World Reconstruction Conference, Promoting Resilience Through Post-Crisis Recovery](#): taking place in Brussels from June 6-8, 2017. The NRA CEO, Dr. Govind Raj Pokharel, is travelling to the event along with representatives from many other stakeholders involved in the reconstruction in Nepal. The event is co-organised by the World Bank's Global Facility for Disaster Reduction and Recovery, the European Union, the United Nations Development Programme, and the

African, Caribbean, and Pacific Group of States. The conference aims to promote resilience through post-crisis recovery and is held in conjunction with [European Development Days 2017](#).

HRRP District Orientations on the Corrections and Exceptions Manual: Starting from the first week of June, HRRP will also be offering half day orientations at district level for those interested to get a general overview of the corrections manual and how it will be implemented. You can contact Narayan Marasini, HRRP National Technical Coordinator, techcord.national@hrrpnepal.org, or the relevant [HRRP District Coordination Team](#) for more information.

Corrections and Exceptions Manual and Updated Inspection Form MToTs Completed: 76 people have now completed the MToT led by MoUD CL-PIU with support from HRRP, NSET, JICA, UNDP, and World Bank. The trained trainers are now moving back to the districts to start to roll out the three day training for field staff. Please contact Narayan Marasini, HRRP National Technical Coordinator, techcord.national@hrrpnepal.org, for more information.

Global Youth Video Competition 2017: the competition is open to people between the ages of 18 and 30. Applicants need to prepare a video, of 3 minutes or less, documenting the inspiring actions they are taking to combat climate change. Videos must relate to one of this year's categories; 'climate friendly and resilient cities' and 'oceans and climate change'.

Stakeholders Conference on Operationalizing the Settlements Approach: taking place on the 15th and 16th of June at the InterAction office in Washington D.C. with the [objective](#) of bringing together all relevant stakeholders to discuss how to make the settlements approach a reality in practice and produce an action-oriented plan to lay out the next steps. If you wish to contribute by providing case studies or solutions, please contact Paul at pvernon@interaction.org or Hilmi at mhilmi@interaction.org.

Useful Documents

Directives for 7-day Lead Mason's Training on Earthquake Resistant Residential Building Construction 2017: The document gives directions on how the training must be conducted as well as how the expenses must be managed.

MoUD CL-PIU Type Designs: new type designs have been published for single storey RCC structures, random rubble masonry, and dressed stone masonry. Engineering and architectural drawings are available as follows:

- Single Storey RCC
 - [Sirdibas structure 1](#)
 - [Sirdibas structure 2](#)
 - [Sirdibas structure 3](#)
 - [Sirdibas architecture 1](#)
 - [Sirdibas architecture 2](#)
- Random Rubble Masonry
 - [Architectural - Random Rubble 1](#)
 - [Detail - Random Rubble 2](#)
 - [Details Random Rubble 3](#)
- Dressed Stone Masonry
 - [Architectural \(Dressed Stone Masonry\)](#)
 - [Dressed stone masonry 1](#)
 - [Dressed stone masonry 2](#)

- [Dressed stone masonry 3](#)

[Lead Mason's Training on Earthquake Resistant Residential Building Construction Directives 2017, MoUD CL-PIU \(Nepali\) \(Unofficial English Translation\)](#): the directives provide guidelines for the management and organisation of training, as well as providing standards for training expenses.

[FAQ section of HRRP website updated](#): new questions included in the community FAQs section and available in English and Nepali. New questions to be included can be shared to info@hrrpnepal.org or through the HRRP district coordinators at any time.

[Corrections and Exceptions Manual for Masonry Structures](#)

[Surakshit Ghar App Officially Launched](#): freely available for Android users on the [Google Play Store](#).

[USAID/OFDA Shelter and Settlements Training Course](#): This course introduces the basics of humanitarian community shelter and settlements (S&S) activities, as well as looking at how to promote the recovery of affected settlements.

[Local Elections in Nepal 2017, Frequently Asked Questions](#): prepared by the [International Foundation for Electoral Systems](#)

[Information booklets for households on Minimum Requirements \(MRs\) for load bearing masonry and RCC](#): prepared by NRA and MoUD CL-PIU, with support from JICA. An earlier version of these booklets was shared previously. Before printing the booklet partners are requested to add [this logo](#) to the last page and submit a sample copy to MoUD CL-PIU or DL-PIU for approval before finalising the mass printing.

[NRA MIS Training Reporting Format](#): partners are requested to use the format for training records and to submit one copy to MoUD DL-PIU, and HRRP district team who will submit to NRA MIS. For already complete trainings, the HRRP district team are converting existing records to the new format.

[NRA Grievance Handling Reports](#): for each of the fourteen districts, updated on a regular basis. An English summary table is available [here](#).

[MoUD CL-PIU MIS portal](#): district-wise overview of inspection and reconstruction progress from DL-PIU engineers' reports. A translation of the headers is available [here](#).

[Contact details for NRA 'District Support Engineers'](#): these senior structural engineers will be based in the MoUD DL-PIU offices and will provide guidance and back up for the MoUD DL-PIU engineers.

[Contact details for District Focal Points for DL-PIU engineers](#): district focal points will be able to provide contact details for DL-PIU engineers at VDC level.

[HRRP Briefing Pack](#): highlights particularly useful documents to support people and organisations new to the Nepal earthquake recovery and reconstruction understand the context, the actors involved, and the standards to be followed.

Information Products

Technical Assistance Coverage Maps, based on latest round of data collection (as of 25 May) are available here:

- [Coverage of 6 Technical Assistance Activities](#)
- [Areas with no Technical Assistance with Damage Overlay](#)
